How to Give

SWGP Giving Funds are built around carefully vetted problems and trusted partners. When you give to a Fund, your generosity joins others who share a common conviction—reducing fragmentation and increasing collective impact.

You can give once or commit over time—both matter. Consistent generosity helps build the momentum needed for real, lasting solutions.

All SWGP Giving Funds are Donor-Advised Funds housed at TrustBridge Global, a leading organization in receiving and deploying charitable gifts internationally. Donations from U.S. givers are tax-deductible, and donors outside the U.S. may also be eligible for tax benefits depending on local regulations.

Founding members for each Fund cover operational costs, so **100% of contributions go directly to the field**—fueling trusted partners and proven solutions.

INTERNATIONAL

Giving Outside the United States

Donors outside the U.S. are welcome to support SWGP Funds. Tax deductibility depends on the laws of your home country. Many international donors give through their own charitable vehicles, and the team at TrustBridge Global is happy to help make the process straightforward.

CUSTODIAN

Who is the Custodian of These Funds?
